Lisa

Complete with 1 Mb RAM, 800K Floppy, & 20/40 Mb SCSI

Originally designed as a versatile business computer, the Lisa is more powerful than ever before. We've added new features that make it better than a Mac Plus ... 800K floppy drive, 20 Mb or 40 Mb SCSI hard drive, and MacWorks Plus (Mac Plus emulation software).

Standard features like the large 12" screen, a numeric keypad, an easy-to-use mouse, and hard drive convenience make it a great choice for the serious user on a budget.

An excellent choice for business applications, spreadsheet, word processing, and desktop publishing. All machines come with:

- Keyboard, mouse, SCSI port., 12" screen.
- Screen modification kit.
- 30-day money-back guarantee.
- 90-day parts and labor warranty.

20 Mb SCSI System $595
($54 S&H) 100-019

40 Mb SCSI System $795
($54 S&H) 100-018

Lisa/800K Floppy $445 ($54 S&H) 100-002

Once MacWorks Plus is loaded in this Lisa, you'll have full use of your 800K floppy and be able to load current systems and programs in the memory of your computer. Other features same as above.

Macintosh XL $395 ($54 S&H) 100-006

The Macintosh XL system comes with the original Apple configuration—10 Mb internal hard drive and a 400K internal floppy. Current systems can reside on hard disk

Macintosh XL/800K $495 ($54 S&H) 100-013

Same as the above system only it includes the Sun Remarketing 800K floppy upgrade.

Mac Plus Compatibility

MacWorks Plus

This incredible software program created by Sun Remarketing gives your Lisa or Mac XL the capabilities of a Macintosh Plus.

- HFS, MultiFinder , Etc.
- Easy installation.

800K Version $200 ($4 S&H) 400-009

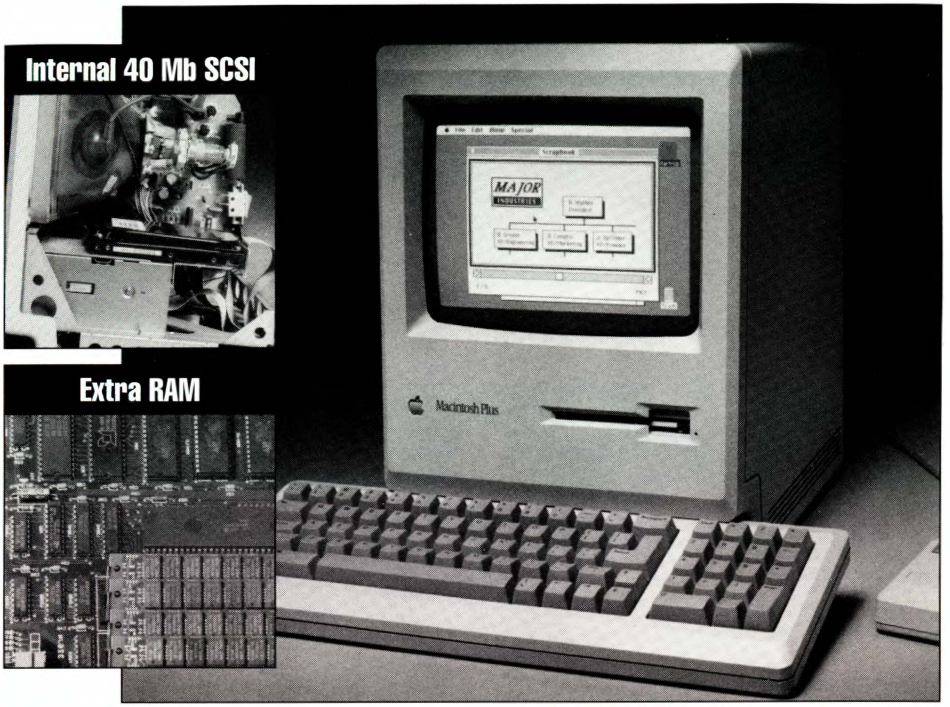
400K Version $200 ($4 S&H) 400-011

XLerator Board $695

($5 S&H) 200-023

The powerful XLerator speeds up Lisa's or Mac XL's processing time to a dizzying 16 mhz ... and lets you increase memory to 4 Mb RAM.

- Upgradable to 4 Mb of RAM.
- Increase processing time to 16 mhz.



Mac Plus ... it just got better.

Gosh! Who would have thought of putting a 40 megabyte SCSI hard drive internally in a Mac Plus? That would only make it the least expensive easy-to-use Mac on the market.

What? Add more memory too? All these things have been done before but never in such a clean package and at such a low price. Newer technology makes putting an internal hard drive in a Mac Plus not only very feasible but extremely reliable.

So now you can have the convenience of fast built-in SCSI storage, the advantage of additional memory, at a price like never before.

All systems feature:

- 800K internal floppy drive.
- Keyboard and mouse
- SCSI port.

Macintosh SE

The Macintosh SE gives you the portability of a Mac Plus —with an expansion port, something not even found in the new "Classic".

This compact system is surprisingly powerful and versatile. Although it looks like the traditional Macintosh computer with its small footprint and built-in monitor...everything inside has been redesigned and upgraded to give the SE greater speed, functional variety, and peripheral device compatibility than its older cousins.

And now at its new lower price, the SE is the definitive choice for the cost conscious buyer who needs flexibility.

- 1 processor direct expansion port.
- 1–4 Mb of RAM.
- Built-in monitor.
- 2 Apple Desktop Bus ports for peripherals.
- SCSI interface.
- Compatible with standard or extended Macintosh keyboards (sold separately).

Service Repair Parts

STANDARD EXCHANGE

Standard exchange requires that your defective part be sent to us in advance. Prior to sending in your defective part, call 1-800-821-3221 for a TICKET NUMBER. This ticket number will provide reference to the conditions of your return. **Prior authorization must be made.** Upon receiving your defective part, a pretested replacement will be promptly shipped by the method you specify. Shipping charges are additional.

ADVANCE EXCHANGE

An advanced exchange requires prior telephone authorization, 1-800-821-3221 for a TICKET NUMBER. This ticket number will provide reference to the conditions of your return. The part you need will be sent to you at the regular price along with a charged security deposit for $50. When we receive your defective part for a successful inspection, your deposit will be made. If your defective part is not received in 15 days, your deposit will be forfeited and the exchange is considered a repair. All shipping charges are additional.

TERMS AND CONDITIONS

Only genuine Apple parts will qualify for the Service Parts Exchange program. Parts with physical damage, including damage to circuit traces, or 3rd party upgrades will not be accepted. Parts must be received in an *AS FAILED* condition without modification or depletion.

Club Sun

As you have learned by now, we have some of the best deals to be found anywhere. Since we don't have the luxury of manufacturing all the products our customers demand, those who hear and respond first receive the best bargains. Due to limited quantities, some excellent products never make the pages of a catalog.

Be among the first to know—2 weeks before the rest. Join *Club Sun*.

You will receive by fax or first class mail:

- Preliminary copies of our 5 yearly catalogs.
- Notice of specials that never make the catalog.

From the Desk of —Bob Cook—

Welcome to Sun Remarketing, where your satisfaction is our first priority. We buy more used Macintosh Computers than anyone, and with volume purchasing comes greater savings for our customers. You will save more with Sun than with any other used computer source.

To reach our goal of customer satisfaction, we have invested heavily to improve our system for processing your order. We have revamped everything from the purchasing of used computers, reconditioning, quality control and reliability testing, to the order processing and shipping of our computers. I am proud that we have been able to improve so much on a great company.

At Sun Remarketing we listen to our customers. For that reason we are proud to announce a new toll-free support line for our customers during the warranty period of their purchase. Call as often as you need. We are committed to your satisfaction with every purchase.

Bob Cook

Guarantee/Warranty

30-Day Money-Back Guarantee

That's right! You have 30 days from the time you receive your order to make sure your purchase is right for you. If, before the end of the 30-day period, you decide it did not live up to your expectations, you may return your purchase to Sun Remarketing for 100% refund of the price of the product (shipping charges not included)

90-Day Parts & Labor Warranty

We warrant all our new or reconditioned products for a full 90 days. Some of our products carry manufacturers' warranties that exceed 90 days and are covered by the respective manufacturer. If, for any reason, a product you have purchased from Sun Remarketing is not working properly within the first 90 days, simply return it and we will repair or replace it at our option. Throughout the warranty period you can call us toll-free (1-800-992-7631) about any issue.

900 Support Service

With growth comes change and with change comes progress. Our telephone support and telephone service is now at a level where we can support not only people who buy from us but people who need any kind of help with their Apple computer.

For only $2 a minute (charged directly to your phone bill) we will walk you through any situation that has you frustrated or down and out. You might even find that your computer needs repair at which time we will deduct your phone support from your repair bill.

Just call 1-900-SUN-SRVC (1-900-786-7782) for any of your out-of-warranty support needs.
