

# Introducing The Little PC That Packs A Big Punch.

Don't let the small footprint fool you. The new Commodore Amiga® 600HD, with an internal 2.5 in. 40MB hard disk drive, has a kick to it. And tons of features other companies charge extra for. Connect it to an RGB monitor, a TV or VCR and take advantage of the Colour Composite Video output and RF Audio/Video output.

Also comes with a comprehensive 1 year warranty.

For a knockout deal, see your Commodore Amiga dealer today.
