FOR THE
COMMODORE VIC-20
AND THE C-64

EFFECTIVE JUNE 15, 1983

MODEL	DESCRIPTION	S.R.P
COMPUTERS		
8032	CBM with 32K bytes of memory with integrated typewriter style keyboard incl. graphic capabilities.(Screen size affording 80 cols by 25 chars/cols).	\$1,395.00
SP9000 SuperPET	Full 8032 software compatible, (6502 mode), 6809 micro processor supporting APL, FORTRAN, PASCAL, & STRUCTURED BASIC. Additional 64K RAM (bank switched). Plus an RS232 port.	\$1,795.00
4032 Computer	CBM with 32K Bytes of memory with integral keyboard including graphics also numeric key pad. (Screen size affording 40 cols by 25 chars/cols).	\$1,095.00
8096	CBM with 96K bytes of memory with integrated typewriter style keyboard incl. graphics capabilities.(Screen size affording 80 cols. by 25 chars/cols). Includes one CALC RESULT spreadsheet program.	\$1,695.00
PERIPHERALS		
2031LP	IEEE low profile single disk drive with 170 K bytes of storage capacity compatible with the 4040 format.	\$ 595.00
4040	5 1/4" Dual drive intelligent floppy disk with 340K bytes storage (single sided).	\$1,495.00
8050	5 1/4" dual drive intelligent floppy disk with 970K bytes storage capacity.	\$1,695.00
8250	Intelligent dual drive floppy double sided, double density, 2 meg.	\$1,895.00

MODEL	DESCRIPTION	S.R.P.
-------	-------------	--------

C64 PERIPHERALS

1541	Intelligent single drive floppy disk. 170K bytes. Can be used with C64 or VIC 20.	\$ 695.00
1520	Colour Printer/Plotter. Draws charts and graphs using 4 colour pens. Prints text in 4 sizes. Connects directly to the C64 and VIC 20.	\$ 329.95
1525E	Dot matrix printer, prints 80 cols. wide, 30 chars/sec. Tractor feed mech. Takes sprocketed 8" roll or sheet paper.	\$ 595.00
1701	High res. colour monitor for use with C64 or VIC 20.	\$ 449.95
CD264	Computer Desk.	\$ 79.95

ACCESSORIES

C2N	I/O cassette tape device for external use with all computers.	\$ 99.95
Pet IEEE	Interface cable between Computer and Floppy Disk or Printer peripherals. Not required with C64.	\$ 50.00
IEEE-IEEE	Interface cable between peripherals. Not required with C64.	\$ 63.00
C500	Computer Desk. Arborite top 26 x 48, 1 1/8" thick. Rounded corners.	\$ 375.00
64K EXPANSION	64K add-on memory. Expands CBM 8032 to 96K RAM.	\$ 399.00
8015S	Telephone interface compatible with 40 cols.	\$ 329.00

MODEL	DESCRIPTION	S.R.P
PERIPHERALS CONT'D		
9060	5 megabyte formatted hard disk, IEEE interface	\$3,295.00
9090	7.5 megabyte formatted hard disk, IEEE interface	\$3,695.00
4023	IEEE-488 80 col. dot matrix printer with 8 X 8 char. font for a more readable character set.	\$ 695.00
8023P	136 cols dot matrix printer, 150 c.p.s., bi-directional with logic seek. Graphic character set, (Commodore manufactured printer).	\$ 995.00
6400P	Letter quality, daisy wheel printer, 40 CPS, IEEE inter- face. Includes tractor.	\$2,695.00
C64 COMPUTER PACKAGES		
C64/C2N	Includes C64 computer, 1530 Datasette (C2N), CD264 Desk and C20 Demo Tapes.	\$ 849.95
C64/Disk Drive	Includes C64 computer, 1541 Disk Drive, CD264 Desk and D/D Demo Disk	\$1,299.99
C64/Modem	Includes C64 computer, 1600 Modem, 1530 Datasette (C2N) and CD264 Desk.	\$ 999.99
C64/Monitor	Includes C64, 1701 Monitor use with C64 or VIC 20 and CD264 Desk.	\$ 999.99
1600 Modem	With Northern Telecomm Telephone	\$ 199.99
VIC 20	Includes VIC 20, 1530 Datasette (C2N), CBM Educator Series and Edu Pack.	\$ 319.95
