Get your own copy of *The Journey Inside: The Computer*--FREE!

Use the poster to follow Tim on his quest to learn more about how computers and microprocessors work.

Fill in the information below.

Fold on the dotted lines.

Seal with tape and

ZAP! Intel will rush you your own poster--FREE!

Name _____ Age _____

Address _____

City/State/Zip _____

School _____

TEACHERS!

Here is a chance for your students to get their own copy of *The Journey Inside: The Computer* poster--FREE.

It's one more way of reinforcing the key concepts of the program. Just make copies of the handout on the other side of this page.

Pass it out to your students. And use it yourself if you'd like an extra poster.
